Dear Warhawk Fan,

The 2009 football season will be here before we know it. Our players, coaches, and support staff are working hard every day to make this an exciting and successful football season. We need your help and support in accomplishing our goals during the 115th season of Warhawk football.

On behalf of the staff and team I would like to encourage your membership and participation in the UW-Whitewater Warhawk Quarterback Club. It is our commitment to provide a family atmosphere for our players, to help them develop personally and to continue our level of championship play.

We enjoy some of the finest facilities, equipment and fan atmosphere in Division III Football thanks in no small part to the contributions and volunteer efforts of the QB Club. Maintenance of this status and achievement of our future goals would be difficult without these efforts.

As we all know, operating a football program with 100 student-athletes is a difficult task today with increasing operational costs and technology needs. Your participation at any level ensures opportunities for our players to grow in all aspects of their lives and become the type of young men UW-Whitewater can be proud of. Together we can continue the outstanding tradition of Warhawk Football.

The 2009 Warhawks look forward to seeing you at Perkins Stadium this fall. Thank you very much for your support.

Sincerely,

A handwritten signature in blue ink that reads "Lance Leipold".
